Northwind III

New Construction Features and Benefits

- A. Fusion welded corners for strength and durability
- B. 7/8" Insulated Glass featuring Super Spacer warm edge Health Smart™ technology for year-round in home comfort.
- C. Internal grids (GBG) featuring "fish mouth" intersections for a traditional New England look.
- D. Dual night latches for ventilation.
- E. The secure Cam action lock is easy to operate and comes standard with 2 on widths of 28" or wider.
- F. Both top and bottom sashes tilt in for safe and easy cleaning.
- G. Integra style tilt latches provide an easy and ergonomic tilt feature with a beautiful clean look that will stand the test of time.
- H. Slim and sturdy sash profiles allows for maximum light and superior strength and durability while maintaining a beautiful look.
- I. Each window features an integral J-Channel for easy installation of siding.
- J. Available in standard sizes as well as custom to meet any project requirement. We offer 8 standard and limitless paint color selections to meet any home decor.
- K. We inventory over a dozen sizes for 1 week delivery or pick up. These are a Low-E/Argon, Full Screen and Grids between glass. This includes twins, triples and extension jamb application.
- L. All windows with Low-E and Argon meet both Energy Star and Federal tax stimulus requirements.
- M. In addition to standard sizes custom sizes and colors are available with normal lead times.

Interior Wrapping Options

Finger Jointed Primed

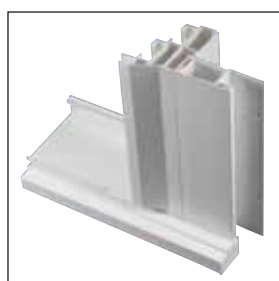

Clear Pine

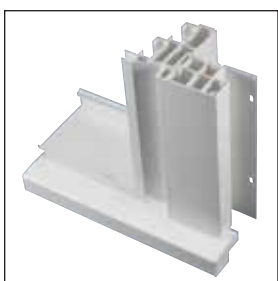

Drywall/Sheetrock Receptor

3/4" Wood Receiver

New England 3.5" Flat Casing

Traditional 3.5" Flat Casing

Exterior Wrapping Options

Both the New England and Traditional Flat Casings feature a look that will enhance the definition of your windows and exterior walls making your project stand out from the others.

Both systems are factory applied and accommodate a wide range of siding options with their built in J-Channel.

Each is able to be bent for application on special shapes such as palladiums, circle tops and eyebrows.

The National Vinyl LLC Fully Transferable Lifetime Limited Warranty
Each of our NorthWind III Series Windows comes with one of the strongest warranties in the industry. With a lifetime limited warranty on vinyl, all movable parts as well as glass against seal failure, you can be confident with your National Vinyl LLC window purchase.

Being Fully Transferrable means our National Vinyl LLC Lifetime Limited Warranty can be transferred to your home's new owner if you ever decide to sell your home. This can be a real advantage when selling your home or condo.

Please review our Lifetime Limited Window Warranty for exact details.
